Our Mission

To provide high quality custom ready mix products with excellent customer service at a great value.

Who We Are?

Alpha Ready Mix is owned by Tatiana Leadbetter (President) and Sergio Lozano, P.E. (Partner). Ms. Leadbetter serves as a Daily Operations Manager while Mr. Lozano advises on engineering specifications to meet local and state requirements.

In June 2006, **Alpha Ready Mix** opened its doors in Austin, TX. A year later, won our first major City of Austin contract. In July 2008, we opened our new company headquarters in Hutto, TX.

Alpha Ready Mix is certified as a Minority/Women owned business with: Texas HUB and City of Austin.

Certified Mix Designs

Alpha Ready Mix offers mix designs certified by TXDOT and the City of Austin. We offer a wide variety of mixes and admixtures for our clients. We use only the best aggregates while constantly testing the mix design to assure our customers that they will receive a high quality product.

Superior Service: The Alpha Ready Mix Difference

Alpha Ready Mix manufactures and delivers ready mix concrete in the Austin and central Texas region. We produce quality concrete products with the knowledge and expertise of our experienced staff. This ensures each job is completed to our client's satisfaction.
